BEST VALUE PERFORMANCE PLAN 2007/08

1. Purpose

- 1.1 To request that the responsibility for approving the Best Value Performance Plan 2007/08 be delegated to the Scrutiny and Performance Committee.

2. Recommendations

- 2.1 The Fire Authority is asked to approve the delegation of power for approving the Best Value Performance Plan to the Scrutiny and Performance Committee.

3. Risk Assessment

- 3.1 There are legislative guidelines surrounding the presentation of performance information and targets within the Performance Plan.

4. Background

- 4.1 This is the final year that an Authority is required to produce a Best Value Performance Plan, owing to the introduction of Local Area Agreements from April 2008.
- 4.2 The 2007/08 Plan, after considering central government guidance, is highly summarised focusing purely of actual performance data. This data will be presented to the Fire Authority in July as an information item.
